We have got the statistics about amounts of visitors in national museums and galleries in England.

sp.

Let's select and report the main features. In 2013 National Gallery and Tate gallery were visited by 3.3 mln of people summarizely. While British Museum was visited by 2.6 mln of tourists. The most popular sight was Science museum with its 3.8 mln of visitors. The second was British Museum.

Now I would like to compare the number of visitors in 2013 and 2015. As we can see

style

Science Museum became to the last point. Because the number of visitors dropped on 2.5 mln of people. At the same time the Tate Gallery got a lot of new visitors and became more popular in 2015. As it is draw on British Museum's visitors in 2015 outnumber amount of people in 2013 on 2.5 mln

I have some tips for museums and galleries about how to increase people's attendare. To begin with I suggest to use advertising widely.

style

mu

If people will always see some information about museums and galleries they can want to visit it. But a lot of people even don't know anything about such places. Secondly, they can do some projects or contests on different themes or make opened for all people exhibitions. It can help to attract tourists.
